

# NICE TO HAVE YOU BACK!

We are happy to welcome you back in our hotel and restaurant! For your personal health and safety we ask you to have a look into our measure plan below:

1. Please keep a minimum distance of 1,5 metres from other guests

2. Wear a mask at all times except when sitting at a table (e.g. entrance or exit of our facilities or using the lavatories)

3. Wash or disinfect your hands when entering and leaving our restaurant and hotel

4. Follow the cough and sneeze etiquette (armpit in front of mouth and nose, turn away from others)

5. Dispense with handshake greetings and grant smiles :-)

THANK YOU FOR YOUR HELP!
